

# QUALITY POLICY

SRKK is in a continuous state of transformation, geared towards achieving the highest standards of quality in our IT Consultancy, Managed Services & IT Solutions that would meet and exceed the needs and requirements of our customers. Our Quality Management System is fully compliant with all aspects of **ISO 9001:2015**.

SRKK aims to transform ourselves from good to **GREAT**:

- G** **Growth**  
Creating an environment conducive to learning where the growth and development of employees is actively encouraged and supported.
- R** **Reliable**  
Being a reliable partner delivering right & timely IT solutions of the highest quality that complements our customers' aspirations and business targets.
- E** **Excellence**  
Understanding and evaluating our markets, our customers' needs & expectations to ensure customer satisfaction through operational excellence with continual improvement.
- A** **Advancing**  
Advancing our global capabilities by sharing our experiences, knowledge and resources among and between consulting practices and offices.
- T** **Trust**  
Creating a lasting relationship based on quality services & IT solutions, business integrity and ethics.
