

Quality Policy

We are committed to continually improving our IT consulting & managed services to meet and exceed the needs of our customers. At SRKK, we have a Quality Management System which complies with the requirements of ISO 9001:2015 as the basis to high quality services, and we are set to review our quality objectives annually as a form of continual improvement.

SRKK implement this Policy and aim to transform ourselves from good to GREAT:

- G** **Growth**
Creating an environment conducive to learning where the growth and development of employees is actively encouraged and supported.
- R** **Reliable**
Being a reliable partner delivering right & time IT solutions of the highest quality that complements our customers' aspirations and business targets.
- E** **Excellence**
Understanding and evaluating our markets, our customers' needs & expectations to ensure customer satisfaction through operational excellence with continual improvement.
- A** **Advancing**
Advancing our global capabilities by sharing our experiences, knowledge and resources among and between consulting practices and offices.
- T** **Trust**
Creating a lasting relationship based on quality services & IT solutions, business integrity and ethics.
